

# What's on in the pool during September 2019

- No Activities Planned**  
 Children are allowed small toys and floats, larger floats are restricted to family fun sessions. Lane swimming is available.
  
- Individual Lesson Time**  
 Individual & group lessons take place with the two lanes nearest to the high chair. On a Wednesday afternoon the school will also use an additional lane from 14.30-17.30. Lane swimming remains unaffected.
  
- School Activities - 2 lanes**  
 Two lanes in the pool will be used for the school swimming team. Sessions with fewer pupils will revert to one lane. Four lanes will be left for member use.
  
- School Activities - 3 lanes**  
 The un-laned half of the pool will be used for school swimming lessons or Westwoods Superstars. Sessions with fewer pupils will revert to two lanes
  
- School Activities - 4 lanes**  
 The school will use 4 lanes to accommodate sessions which are expected to be busier. If fewer pupils than expected attend, three or fewer lanes will be used.
  
- Staff Training**  
 The pool will be closed for the staff lifeguard training or a Fettes swimming gala. We apologise for any inconvenience caused and thank you for understanding the need to train our lifeguards.
  
- Adult Only**  
 Adult only swimming times.
  
- Family Fun Sessions**  
 The larger floats can be used during this time. Lane swimming is unaffected.
  
- Aquafit Classes**  
 All aqua classes take place in the un-laned half of the pool. There will be 2 lanes available for lane swimming (or 3 if less than 12 people book into the class).

Although great care is taken in creating and updating this timetable, errors may sometimes occur. Westwoods apologises in advance and we hope that this does not affect your swimming enjoyment. In respect of a lifeguard training session on a Sunday, weekend only members may use the swimming pool area on the preceding Friday between the hours of 8:30pm and 10pm.
