

FETTES ACTIVE BOOKING PROCEDURE

Step 1 - To make a Fettes Active booking, click on the 'Book Now' icon on the page of the camp you wish to register for and you will be directed to the Login page as you must have a registered account. If you are a Westwoods member, you should have an account. If you are not a Westwoods member, you will need to create an account. Go to step 2a, 2b or 2c as appropriate.

Step 2a

Westwoods members whose child is a member- Have you already registered your online account via the member portal? You should have done this when we changed databases in December 2022. If not, please contact the club to get your membership number and that of the child you will be registering and then click on the purple 'Register an Online 'Account' icon to create your account. Go to step 3.

Westwoods members whose child is not a member – See Step 2c (Please follow the steps listed under 2c and enrol your child separately with a different email address).

Step 2b - Westwoods non-member but Fettes Active previous client – If you have previously registered as a Fettes Active member and your child that you are wishing to book was linked to your account, please use the link below to either login or reset your password if you have forgotten your details and then go to step 3.

<https://westwoodshealthclub.legendonlineservices.co.uk/enterprise/account/login>

Step 2c - Westwoods non-members - Click on the purple 'View Membership/Pass Option' icon to register your account. Please ensure that you input your child's details when registering and not your own but use your own email address and contact number when registering your child's details. If you want to register more than one child then you will need to use a different email address as unfortunately the system only allows one contact to be associated with an email address. Once on the new page, choose Westwoods as your gym and your membership as 'Fettes Active'. There is no charge associated with creating this membership although you will be required to give us your billing address. Once you have created a membership, please check your email inbox for a membership confirmation email. Please disregard all information in this email except scrolling down and pressing 'Register Here' which will take you to the account login page. Please press 'Register' to input your email address and create a password. Go to step 3.

Step 3 - How to make a booking – Login and press 'Sports Course' then press the blue 'Search Bottom' which will display all the camps available. Select your camp and then press register which will take you to select participant. On the first page, be sure to enter your email address at the bottom of the page. You will not be able to complete the Medical section at this point as you will be asked for medical information later in the booking process.

Step 4 – Complete the questions and click on the 'Add to Basket' icon.

Step 5 – You will be able to either add more bookings (for the same child for additional camps) or continue to payment. Please note that the items in your basket are reserved for only 20 minutes, so you cannot leave them and return later.

If you have any issues, please email the team at fettesactive@fettes.com.
